Degree of detail of the information contained in the Data Sheet:

Medium

Last updating of the Data Sheet : January 2025

1. Activity of the enterprise

Boogaali Bikes manufactures bamboo bicycle frames. The manufacturing methods are traditional.

The company produces between 10 and 15 frames a year.

Production is mainly sold to collectors in Europe, the United States and South Africa.

2. Product Range

Road

Mountain Bike

Gravel / Adventure

All standard round-tube frames are priced at \$500 USD + shipping.
Cargo bike frames are priced at \$800 USD.

Custom options :

- Flat or oval tubes: + \$100 USD
- Curved top tube: + \$100 USD
- Multicolored bark cloth + \$25 USD
- Luggage rack holders / Additional Boss bottle holder + \$15 USD
- Name or other graphics on frame + \$15 USD

These prices are significantly higher than for complete bikes sold on the domestic market. This is due to the cost of materials and craftsmanship.

Manufacturing process:

The following link provides a pictorial description of the various stages in frame manufacture.
